Sewing Club

Year Groups	4, 5 and 6
Day	Tuesday
Time	3.20pm - 4.30pm
Cost per session (payable termly)	£10 per week
Enrolment method	www.sewuniqueartwork.co.uk/SewingClub

Kelly, an Embroidery Designer and Tutor, runs a lunchtime Sewing Club at school for years 3, 4, 5 & 6.

Every half term we try a different type of sewing project. This includes learning new stitches, using different fabric types and changing from 2D to 3D projects. All sewing projects are based on the principle that we design them ourselves on paper first. This way, children learn to develop their design skills as well as their sewing skills.

They will finish the term with their own unique keepsakes to bring home.

Learning to sew with a simple needle and thread is a great skill for children to learn. It keeps their hands and minds busy but relaxed and helps improve their fine motor skills.

And embroidering their own designs is even better. That way, they get to be super creative and finish with a piece to be proud of.

Places are limited to 10 pupils per session.

For more information visit the website or email Kelly@sewuniqueartwork.co.uk
