

Curriculum design

Intent

Love learning, love life!

Our curriculum is designed to be:

Inspiring and ambitious - challenging all children to aim high

Sequenced and coherent - carefully planned to help knowledge and skills grow

Knowledge-rich and vocabulary-rich - broadening understanding and oracy

Inclusive - ensuring every child feels valued, supported and able to flourish

‘**The Pownall Experience**’ brings this to life through enrichment opportunities that go far beyond the classroom - helping children become well-rounded, enthusiastic learners who love learning and love life!

Implementation

Our curriculum is implemented through an evidence-informed approach. We draw upon the best available research to help us teach in ways that make a real difference. High-quality teaching at Pownall Green includes explicitly linking new knowledge to what children already know, breaking it down into manageable chunks, and providing clear explanations supported by helpful visuals and demonstrations. We check understanding regularly and respond to children’s needs, offering scaffolded practice to help all children progress and achieve their best

Impact

The impact of our curriculum can be seen in our learners.

Our children:

- Do their best and aim high in all they do
- See choices as opportunities to grow and achieve
- Embrace challenges with confidence and resilience
- Work well collaboratively and think of others
- Are well prepared for their next steps
- love learning and love life!

Choice... Challenge...Collaboration...

POWNALL GREEN PRIMARY SCHOOL

The Pownall Experience

We are passionate about offering every child opportunities that go far beyond our ambitious curriculum. During their time with us, all children can enjoy a rich range of enrichment experiences - helping them get the most out of their education, create lasting memories, and truly embrace the Pownall Experience. At Pownall Green, we love learning and we love life!
