

Pownall Green Acceptable Use Policy

These acceptable use agreements are intended:

- to ensure that learners will have good access to devices and online content, be responsible users and stay safe while using digital technologies for educational, personal and recreational use
- to help learners understand good online behaviours that they can use in school, but also outside school
- to protect school devices and networks from accidental or deliberate misuse that could put the security of the systems and users at risk.

Learner Acceptable Use Agreement – for KS2

I agree to use the school's digital systems safely and responsibly to protect me, other learners and the school.

Keeping Safe Online

- The school will check how I use devices and the internet to keep everyone safe.
- I will keep my usernames and passwords private and tell a trusted adult if someone else knows them.
- I will be careful when talking to people online and will only talk to people I know and trust.
- I will not share personal information like my name, address, or photos without asking a trusted adult.
- I will only take or share images of myself, or others, when fully dressed.
- If I see or hear something online that worries or upsets me, I will tell a trusted adult straight away.
- I will only meet people I have spoken to online if a trusted adult is with me.

Using Computers and the Internet Sensibly

- I will only use devices, apps and sites that I am allowed to, and will check if I am unsure.
- I will always ask permission and check with a trusted adult before using someone else's work or pictures.
- I will make sure the information I find online is true by checking carefully.
- I will only use apps or tools, like AI, that my teacher has said are OK, and I will ask for help if I'm unsure.
- I will not copy or use music, videos, or games unless I have permission.
- I will tell a trusted adult about any damage to devices or if anything else goes wrong.
- I will check with trusted adults before clicking on any unexpected messages or links (even if these look as though they are from people that I already know).

Being Respectful and Responsible

- I will treat others kindly online, just as I do in real life.
- I will make good choices about what I share online to protect myself and others.
- I will spend a healthy amount of time using devices and make time for other activities too.
- I will always think about how my behaviour online could affect me, my friends, and my school.

What Happens If I Break These Rules

- If I don't follow these rules, my teacher may stop me from using computers or devices, speak to my parents, or take other actions to help me make better choices in the future.

By following these rules, I can enjoy using technology safely and responsibly.

I have read and understand the above and agree to follow these guidelines when:

- I use the school systems and devices (both in and out of school)
- I use my own devices in the school (when allowed) e.g. mobile phones, gaming devices USB devices, cameras etc.
- I am out of school and involved in any online behaviour that might affect the school or other members of the school.

Our Technology Rules

I will follow these rules to use computers, tablets and the internet safely at school.

Staying Safe

- My teacher will watch what I do on computers, tablets and the internet to keep me safe.
- I will keep my passwords secret and tell my teacher if I need help.
- I understand that people online are not always who they say they are. I will only talk to people online if my teacher or a trusted adult says it's OK.
- I will not share my name, address, or pictures without asking my teacher or a trusted adult first.
- If I see something that makes me feel worried or upset, I will tell my teacher or a trusted adult straight away.
- I will only use apps, games or websites my teacher says are safe.

Using Technology Kindly

- I will be kind when using technology, just like I am in real life.
- I will take care of the computers and tablets I use.
- I will only look at things my teacher says are OK.

Making Good Choices

- I will ask my teacher before I use someone else's pictures or work.
- I will take breaks from screens and do other fun things too.
- I know that I can say no / please stop to anyone online who makes me feel sad, uncomfortable, embarrassed or upset.
- I will ask for help from a trusted adult if I am not sure what to do or if I think I may have done something wrong.

What Happens If I Forget the Rules

- If I forget the rules, my teacher will help me learn to make better choices next time.

These rules help us all stay safe and have fun using computers and tablets at school!

Parent/Carer Acceptable Use Agreement – KS2

Digital technologies have become integral to the lives of children and young people, both within schools and outside school. These technologies provide powerful tools, which open new opportunities for everyone. They can stimulate discussion, promote creativity, and stimulate awareness of context to promote effective learning. Young people should have an entitlement to safe internet access at all times.

This acceptable use policy is intended to ensure:

- that young people will be responsible users and stay safe while using the internet and other communications technologies for educational, personal and recreational use.
- that school systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk.
- that parents and carers are aware of the importance of online safety and are involved in the education and guidance of young people with regard to their on-line behaviour.

The school will try to ensure that learners have good access to digital technologies to enhance their learning and will, in return, expect the learners to agree to be responsible users. A copy of the learner acceptable use agreement is attached to this permission form, so that parents/carers will be aware of the school expectations of the young people in their care.

As the parent/carers of the above learners, I give permission for my son/daughter to have access to the digital technologies at school.

I know that my son/daughter has signed an acceptable use agreement and has received, or will receive, online safety education to help them understand the importance of safe use of technology and the internet – both in and out of school.

I understand that the school has discussed the acceptable use agreement with my son/daughter and that they have received, or will receive, online safety education to help them understand the importance of safe use of technology and the internet – both in and out of school.

I understand that the school will take every reasonable precaution, including monitoring and filtering systems, to ensure that young people will be safe when they use the internet and systems. I also understand that the school cannot ultimately be held responsible for the nature and content of materials accessed on the internet and using mobile technologies.

I understand that my son's/daughter's activity on the systems will be monitored and that the school will contact me if they have concerns about any possible breaches of the acceptable use agreement.

I will encourage my child to adopt safe use of the internet and digital technologies at home and will inform the school if I have concerns over my child's online safety.

Staff (and Volunteer) Acceptable Use Agreement Template

School Policy

Digital technologies have become integral to the lives of everyone, including children and young people, both within schools and in their lives outside school. The internet and digital technologies are powerful tools, which can stimulate discussion, promote creativity and stimulate awareness of context to promote effective learning. They also bring opportunities for staff to be more creative and productive in their work. The school has the right to protect itself and its systems and all users should have an entitlement to safe access to the internet and digital technologies at all times.

This acceptable use policy is intended to ensure:

- that staff and volunteers will be responsible users and stay safe while online and using digital technologies for educational, personal and recreational use
- that school systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk
- that staff are protected from potential risk in their use of technology in their everyday work.

The school will try to ensure that staff and volunteers will have good access to digital technology to enhance their work, to enhance learning opportunities and will, in return, expect staff and volunteers to agree to be responsible users.

Acceptable Use Policy Agreement

I understand that I must use school systems in a responsible way, to minimise the risk to the safety, privacy or security of the school community and its systems. I acknowledge the potential of digital technologies for enhancing learning and will endeavour to integrate them in a way that aligns with the school's policy, ethos and values.

For my professional and personal safety:

- I understand that the school will monitor my use of school devices and digital technology systems
- I understand that the rules set out in this agreement also apply to use of these devices and technologies out of school, and to the transfer of personal / sensitive data (digital or paper based) out of the school
- I understand that the school devices and digital technology systems are primarily intended for educational use and that I will only use them for personal or recreational use within relevant school policies.
- I will not disclose my username or password to anyone else, nor will I try to use any other person's username and password.
- I will store my passwords securely and in line with the 'Password and Access Control Policy'.
- I will immediately report any illegal, inappropriate or harmful material or incident, I become aware of, to the appropriate person.

I will be professional in my communications and actions when using digital technologies and systems:

- I will not access, copy, remove or otherwise alter any other user's files, without their express permission.

- I will communicate with others in a professional manner. I will not use aggressive or inappropriate language and I appreciate that others may have different opinions.
- I will ensure that when I take and/or publish images of others I will do so with their permission and in accordance with the school's policy on the use of digital/video images, and taking account of parental permissions. I will not use my personal equipment to record these images, unless I have permission to do so. Where these images are published (e.g. on the school website) it will not be possible to identify by name, or other personal information, those who are featured.
- I will only use social networking sites in the school in accordance with school policies.
- I will only communicate with learners and parents/carers using official school systems. Any such communication will be professional in tone and manner.
- I will not engage in any online activity that may compromise my professional responsibilities.

The school has the responsibility to provide safe and secure access to technologies and ensure the smooth running of the school:

- I will abide by all relevant guidance and legislation (e.g., Keeping Children Safe in Education/UK GDPR)
- I will ensure that I am aware of cyber-security risks and that I will not respond to any communications that might put my/school data or systems at risk from attack
- When using AI systems in my professional role I will use these responsibly and:
 - will only use AI technologies approved by the school
 - will be aware of the risks of bias and discrimination, critically evaluating the outputs of AI systems for such risks
 - to protect personal and sensitive data, I will ensure that I have explicit authorisation when uploading sensitive school-related information into AI systems
 - will take care not to infringe copyright or intellectual property conventions – care will be taken to avoid intellectual property, including that of the learners, being used to train generative AI models without appropriate consent.
 - ensure that documents, emails, presentations, and other outputs influenced by AI include clear labels or notes indicating AI assistance
 - critically evaluate AI-generated outputs to ensure that all AI-generated content is fact-checked and reviewed for accuracy before sharing or publishing
 - will use generative AI tools responsibly to create authentic and beneficial content, ensuring respect for individuals' identity and well-being
- When I use my personal mobile devices in school, I will follow the rules set out by the school, in the same way as if I was using school equipment. I will ensure that any such devices are protected by up-to-date anti-virus / anti-malware software and are free from viruses.
- When communicating in a professional capacity, I will only use technology and systems sanctioned by the school.
- I will not use personal accounts on school systems.
- I will exercise informed safe and secure practice when accessing links to content from outside of my organisation to reduce the risk of cyber security threats.
- I will ensure that my data is regularly backed up, in accordance with relevant school policies.
- I will not access illegal, inappropriate or harmful content on school systems.
- I will not bypass any filtering or security systems that are used to prevent access to such content.
- I will not install or attempt to install unauthorised programmes of any type on a school device, nor will I try to alter device settings, unless this is allowed in school policies

- I will not disable or cause any damage to school equipment, or the equipment belonging to others.
- I will only transport, hold, disclose or share personal information about myself or others, as outlined in the school Data Security Policy (or other relevant policy). Where digital personal data is transferred outside the secure local network, it must be encrypted. Paper based documents containing personal data must be held in lockable storage.
- I understand that the data protection policy requires that any staff or learner data to which I have access, will be kept private and confidential, except when it is deemed necessary that I am required by law or by school policy to disclose such information to an appropriate authority.
- I will immediately report any damage or faults involving equipment or software; however, this may have happened.

When using the internet in my professional capacity or for school sanctioned personal use:

- I will ensure that I have appropriate permissions to use the original work of others in my own work and will reflect this with appropriate acknowledgements, particularly where AI has been used to generate content
- Where content is protected by copyright, I will not download or distribute copies (including music and videos).

I understand that I am responsible for my actions in and out of the school:

- I understand that this acceptable use agreement applies to my use of digital technologies related to my professional responsibilities, within or outside of the school.
- I will ensure my use of technologies and platforms is in line with the school's agreed codes of conduct.
- I understand that if I fail to comply with this acceptable use agreement, I could be subject to disciplinary action. This could include a warning, a suspension, referral to Governors and/or the Local Authority and in the event of illegal activities, the involvement of the Police.

I have read and understand the above and agree to use the school digital technology systems (both in and out of the school) and my own devices (in the school and when carrying out communications related to the school) within these guidelines.

Acceptable Use Agreement for Community Users

This acceptable use agreement is intended to ensure:

- that community users of school digital technologies will be responsible users and stay safe while using these systems and devices
- that school systems, devices and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk.
- that users are protected from potential harm in their use of these systems and devices

Acceptable Use Agreement

I understand that I must use school systems and devices in a responsible way, to ensure that there is no risk to my safety or to the safety and security of the systems, devices and other users. This agreement will also apply to any personal devices that I bring into the school:

- I understand that my use of school systems and devices will be monitored
- I will not use a personal device that I have brought into school for any activity that would be inappropriate in a school setting.
- I will not try to upload, download or access any materials which are illegal (child sexual abuse images, criminally racist material, terrorist and extremist material, adult pornography covered by the Obscene Publications Act) or inappropriate or may cause harm or distress to others. I will not try to use any programmes or software that might allow me to bypass the filtering/security systems in place to prevent access to such materials.
- I will immediately report any illegal, inappropriate or harmful material or incident, I become aware of, to the appropriate person.
- I will not access, copy, remove or otherwise alter any other user's files, without permission.
- I will ensure that if I take and/or publish images of others I will only do so with their permission. I will not use my personal equipment to record these images, without permission. If images are published it will not be possible to identify by name, or other personal information, those who are featured.
- I will not publish or share any information I have obtained whilst in the school on any personal website, social networking site or through any other means, unless I have permission from the school.
- I will not, without permission, make large downloads or uploads that might take up internet capacity and prevent other users from being able to carry out their work.
- I will not install or attempt to install programmes of any type on a school device, nor will I try to alter computer settings, unless I have permission to do so.
- I will not disable or cause any damage to school equipment, or the equipment belonging to others.
- I will immediately report any damage or faults involving equipment or software, whatever the cause.
- I will ensure that I have permission to use the original work of others in my own work
- Where work is protected by copyright, I will not download or distribute copies (including music and videos).
- I understand that if I fail to comply with this acceptable use agreement, the school has the right to remove my access to school systems/devices

I have read and understand the above and agree to use the school systems (both in and out of school) and my own devices (in school and when carrying out communications related to the school) within these guidelines.

Staff Use of AI Acceptable Use Agreement

Emerging technologies, including Artificial Intelligence (AI), are increasingly integrated into educational settings and the lives of staff and learners. These technologies have immense potential to enhance creativity, promote personalized learning, and improve operational efficiency. However, their use also presents risks that require clear policies and practices to ensure safety, security, and ethical application.

This acceptable use policy aims to ensure:

- Staff and volunteers are responsible users of AI and emerging technologies, prioritising safety and ethical considerations.
- School systems and users are protected from misuse or harm resulting from the use of AI.
- Staff have a clear understanding of their responsibilities when engaging with AI and emerging technologies in professional and personal contexts.

Acceptable Use Policy Agreement

I understand that I must use AI and emerging technologies responsibly to minimise the risk to the safety, privacy, or security of the school community and its systems. I acknowledge the potential of these technologies for enhancing learning and will endeavour to integrate them in a way that aligns with the school's policy, ethos and values.

For my professional and personal safety:

- I understand that the school will monitor my use of AI tools and technologies.
- I will only use AI tools and technologies for purposes authorized by the school and will ensure compliance with data protection laws (e.g. UK GDPR) when handling personal data.
- I will ensure that any sensitive or personally identifiable information about staff, students, or parents/carers is only entered into AI systems that have explicit approval and robust security measures in place.
- I will report any AI-related incidents or anomalies that could indicate misuse, bias, or harm to the appropriate person immediately.

In my communications and actions:

- I will respect copyright, intellectual property, and ethical standards when uploading content to prompt AI output.
- I will critically evaluate the outputs of AI systems to avoid spreading misinformation or biased content and will ensure that all AI-assisted decisions are made with appropriate human oversight.
- I will communicate professionally and responsibly when using AI systems.
- I will ensure transparency through appropriate attribution where AI has been used.

When engaging with learners:

- I will support learners on the safe, ethical, appropriate and effective use of AI.
- I will use AI tools to engage with learners in ways that uphold and enhance their privacy, wellbeing, and trust.

When using the school's systems and resources:

- I will use AI systems in compliance with established security measures and access protocols.
- I will ensure that any AI applications used in teaching or administration are vetted and comply with the school's policies.
- I will ensure generative AI tools are not used to impersonate others or create deceptive or harmful content.

When handling data:

- I will ensure compliance with the school's data protection policies when using AI for data analysis or reporting.
- I will ensure I have explicit authorisation when uploading sensitive school-related information into generative AI systems.

Responsibility and Accountability:

- I will use generative AI tools responsibly to create authentic and beneficial content, ensuring respect for individuals' identities and well-being.
- I understand that misuse of AI or emerging technologies could lead to disciplinary actions, including warnings, suspension, or referral to the appropriate authorities.
- I acknowledge that this agreement applies to all AI-related activities within and outside of school premises that are connected to my professional responsibilities.

I have read and understood the above and recognise my role in the use of AI.
