Head Teacher News

It is beginning to look a lot like Christmas at Pownall Green. The Christmas trees are up and Christmas carols are being sung all around the school. I have thoroughly enjoyed spending time with Year 3 today on their educational visit to Tatton Park. The children represented the school brilliantly as they took part in outdoor learning and explored the grounds and history of the estate. Thank you to all the staff and parent volunteers who helped make the trip such a success. Year 4 pupils took part in immersive Ancient Greece workshops. The children explored daily life in Ancient Greece, handled historical artefacts, and participated in interactive drama activities.

It was lovely to see so many of you on Thursday morning, enjoying looking at all the super learning that has taken place this term. The children and staff have been very busy!

Please be assured that sport remains very much a priority at Pownall Green. We have in fact increased the range of activities for children to access at break and lunchtime, led by our sports ambassadors and play leaders. The full PE curriculum will continue to be taught by the class teachers who are trained and qualified. All sports clubs and opportunities to take part in additional sporting events, will continue as before. In my previous role as Headteacher, the school gained the AfPE award (the only school in Stockport) as well as the platinum award for two years in succession. My aim is to achieve the same successes for us at Pownall Green.

Next week we will be sharing our new clubs offer to start after Christmas. At Pownall Green we are an inclusive school and want to provide a range of opportunities across all year groups, covering a variety of interests. Please do get in touch if you have any ideas or know about clubs that you think your child would be interested in, to help us improve our offer further.

Reminder: Christmas Markets Tonight!

Don’t forget to join us today from **5:00 PM to 7:00 PM** for our school Christmas Markets! Come along to enjoy festive stalls, treats, and activities while supporting our school community. We look forward to seeing you all there!
