Head Teacher News

It has been a very busy week at Pownall Green. On Tuesday, KS2 were visited by the author and illustrator John Patrick Green. They absolutely loved the session and asked some excellent questions about his career and favourite characters in his books.

We all had a wonderful time at the discos on Wednesday. I was very impressed with the children and staff's dance moves! Thank you to the PTA for organising the event and for all the volunteers that helped to make the evening a success.

Mr Kirk's role in school will be changing slightly after half term. He will continue to provide after school and holiday clubs as well as taking children to sports events. Class teachers will now be teaching the full PE curriculum and PPA cover will continue to be delivered by our HLTAs Mrs Trivett and Miss Wood.

In classrooms this week, I have observed our wonderful reception children accessing their independent learning with confidence.
Year 4 and Year 6 have been enjoying drama activities in their writing lessons.
I am also very much looking forward to going to Castleton next week with Y5.

Have a wonderful weekend.

This week our Golden Children are:

1P

Sulaiman, you are golden and a shining example of how to be safe. You move safely around school, always listen to adults and follow instructions the first time. I was so impressed with your safe behaviour in the lunch hall: you stayed sitting in your seat and waited patiently for your turn. Well done!

1G

Rowan, you are golden for making our school such a lovely place to be! You are a wonderful role model to your peers through the way you move and behave around school, the kindness you show to your friends and the effort you put into your learning. Well done, Rowan, Keep being amazing!

2P

Lily is always showing us she can ‘Be Safe.’ She is an excellent role model to others, following adult instructions first time, always using gentle words and she has been super helpful when looking after the property in the classroom.

2G

Harry is 2G’s golden child this week for always following our ‘Be Safe’ value. He moves around school safely and uses gentle words with the other children in school. Harry has also been working so hard on his writing this week, consistently showing good focus and determination. Well done, Harry!

3P

Our Golden Child this week is Harper for consistently demonstrating our Bee Value of 'Be Safe'. Whether working hard in the classroom or playing out on the playground, Harper always does exactly what she should be doing. She makes sensible, smart choices every single day and sets a wonderful example for the rest of the class. Well done, Harper!

3G

Idrees You have really impressed me with your positive attitude towards our new value, ‘Be Safe’. You have been a fantastic role model for our class, especially through your positive behaviour and responsible choices during lunchtime. Well done, Idrees! Keep up the fantastic work!

4P

Harlow is golden this week for being such a wonderful role model to her peers. Harlow consistently demonstrates safe and sensible behaviour and is always kind and caring. Harlow has also impressed me this week with the hard work and enthusiasm she has shown when writing her narrative in English. Well done Harlow, you are a star!

4G

Elspeth is 4G's Golden Child this week. She consistently goes above and beyond in everything she does. She is a fantastic member of the class and a credit to Pownall Green. She follows the school value of being safe and makes great choices. She is kind, well-mannered and considerate towards everyone she comes into contact with. Well done, Elspeth. Keep on impressing us!

5P

Noah is this week's Golden Child. He is a role model for safe and thoughtful behaviour every single day. He is consistently gentle with others, moving through school with care and consideration for those around him. Whether he is working hard at his desk or playing outside, he helps to make our school a calm, secure and happy place for everyone. Thank you, Noah.

5G

Juliet is golden in 5G this week. She is a shining example of how you can have fun whilst staying safe, both in the classroom and on the playground. Juliet plays so nicely with other children, and it has been delightful watching Juliet's confidence grow with her new classmates; every day she is involving herself in all manner of games with lots of different groups of children, and is playing them in a safe and supportive way. Keep being a star, Juliet!

6P

Eva is this week's Golden Child for following our Be Safe value. I spotted Eva using a quiet signal to support with our class lining up calmly and quietly. This showed thoughtful teamwork, as we all have a responsibility to work towards the same goal. Well done, Eva!

6G

Audrey is golden for always demonstrating our value of 'be safe'. Audrey always moves around the corridors, playground and lunch hall in a calm and sensible manner, ensuring she keeps herself and others around her safe. Audrey is a consistent a role model to the class and is a happy, cheerful and hardworking presence in the classroom. Well done Audrey!
