Cost per session (payable termly)	£10 per week
Enrolment method	www.sewuniqueartwork.co.uk/SewingClub

Is your child looking for a new use of their arts and crafts skills?

Sewing Club is designed to help children explore new ways of using their creative ideas and expressing them through a series of hand embroidery and sewing projects.

Every half term we try a different type of project. This includes learning new stitches, using different fabric types and changing from 2D to 3D projects. All sewing projects are based on the principle that we design them ourselves on paper first. This way, children learn to develop their design skills as well as their sewing skills.

Drawing on paper and stitching by hand has been proven to help people slow down, be more mindful and develop their patience and perseverance.

Children will finish each term with their own unique keepsakes to bring home, as well as a certificate and sew-on badge to record their progress.

Places are limited to 10 pupils per session and will be allocated on a first come, first served basis. Please book your child's place via the website- www.sewuniqueartwork.co.uk/PownallGreen

Mr Wilkinson is excited to launch a brand new Korfball Club for children in Years 5 and 6! Taking place after school every Monday, this is a brilliant opportunity for pupils to discover a fast-paced, fun, and inclusive team sport.

Korfball is a unique game that combines elements of basketball and netball. Played with a ball and high hoops (called korfs), it focuses on teamwork, movement, passing, and strategy. One of the things that makes korfball special is that it is designed to be a mixed gender sport — boys and girls play together on the same team with equal roles and opportunities.

Joining the club offers children a fantastic way to stay active and healthy, build confidence, and improve key skills such as communication, cooperation, and spatial awareness. Because korfball is relatively new to many, everyone starts on a level playing field – perfect for trying something dfferent and making new friends along the way!

Whether your child enjoys sports already or is looking for a new challenge, korfball is a brilliant way to get involved. All abilities are welcome. Come along and give it a go!
